

CASH FOR CONSERVATION

Are you planning to perform a conservation practice on your classified area? The U.S. Department of Agriculture's Natural Resource Conservation Service (NRCS) provides incentive payments for habitat improvement practices including:

- Timber Stand Improvement
- Forest Openings
- Invasive Species Control
- Early Successional Habitat Management for Grasslands
- Tree & Shrub Establishment
- Tree & Shrub Pruning
- Riparian Forest Buffers
- Erosion Control on Forest Trails and Landings
- Monarch Habitat

Applications are accepted year-round. For more information, contact your district forester or the district conservationist at your local USDA Service Center, **[http:// www.nrcs.usda.gov/wps/ portal/nrcs/main/in/contact/ local/](http://www.nrcs.usda.gov/wps/portal/nrcs/main/in/contact/local/)**.
